

37.	Weekly summaries for 1993 based on absolute value of hourly variation, full period Q_1 - Q_3	143
38.	Bi-weekly summaries for 1993 based on absolute value of hourly variation, Negotiated Period Q_1 - Q_3	144
39.	ARIMA coefficients and t values for ARIMA models for short and long period of analysis, 1991	145
40.	Coefficients of the model of daily data 1 March - 30 June 1991	146
41.	Coefficients of the model of daily data 1 April - 15 June 1991	147
42.	Coefficients of the model of hourly data 1 March - 30 June 1991	148
43.	Coefficients of the model of hourly data 1 April - 15 June	149
44.	Results of the 1992 ARIMA analysis showing the ARIMA coefficients and t values for models for the Negotiated Period	150
45.	Results of the 1992 ARIMA analysis showing the ARIMA coefficients and t values for ARIMA models for the entire period with intervention variables	151
46.	Results of the ARIMA analysis for 1992 showing the ARIMA coefficients and t values for ARIMA models for the Negotiated Period with intervention variables ..	152
47.	Results of autoregression analysis for the entire period with intervention variables for 1992	153
48.	Results of autoregression analysis for the Negotiated Period with intervention variables for 1992	153
49.	Comparison of autoregression coefficients for the entire period with and without intervention for 1992	154
50.	Comparison of autoregression coefficients for the Negotiated Period with and without intervention for 1992	155
51.	Comparison of models of daily data for the entire and Negotiated Period for 1993 ..	157
52.	Comparison of hourly models for entire period and Negotiated Period for 1993	159
53.	Normal and observed rainfall (inches) for the Roanoke River basin downstream of Kerr Reservoir (RM 178.7), and basinwide, for April-June 1982-1991 (U.S. Army Corps of Engineers data)	175
54.	Striped bass recreational catch characteristics from Roanoke River, 1988-1991	180
55.	Age composition and mean length at capture of a subsample of male striped bass from the Roanoke River creel survey, 1 January to 30 April 1991	180
56.	Age composition and mean length at capture of a subsample of female striped bass from the Roanoke River creel survey, 1 January to 30 April 1991	181
